Surround yourself in style with this beautiful home loaded with expert design and energy efficient features. Perched atop one of the highest points of Temple, the magnificent views are simply astounding! The living room opens to the kitchen and breakfast nook for additional open space. The kitchen features a fabulous open concept with an 8' island and hard-marble countertops, tumbled travertine backsplash, recessed can lighting and custom cabinets. The stone exterior gives this home stunning curb appeal. Call today for a viewing!
